

Legislative *and* Cabinet Member

DIRECTORY

and ALM Issues Guide

2026

Navigating Municipal Leaders
Through the Legislative Process

.....

From the Executive Director's Desk

Welcome to the 2026 Regular Session of the Alabama Legislature! We hope that you will make the most of this session by actively engaging with your elected state officials.

Please use this directory to contact your legislators to talk about legislative priorities and issues impacting your communities and League membership at large. To help with that, we have included the 2026 legislative statements approved by our ALM Board and the ALM Committee on State and Federal Legislation (opposite page) and a quick outline of how to visit, write or call your legislator (page 21). I would also like to remind you to stay up-to-date on pending legislation by reading our weekly e-newsletter, State House Advocate, on Fridays during the legislative session. In it, our advocacy team will share the latest activity on the many proposals being considered by lawmakers. You can also go to almonline.org or scan the QR code to view the SHA and other helpful links related to the session.

As we look back on decades of legislative victories, it is clear that none of them would have been possible without the direct involvement of our membership. By us ALL working together to advocate for our communities, we can provide citizens with the quality of life they desire while also recruiting and retaining economic investments in these communities we cherish.

For over 90 years, the League has made it our mission to keep our members informed and prepared for what lies ahead, and we are proud to continue carrying that torch. In 2024, ALM was successful in passing legislation establishing mandatory training for all municipal officials. The act specifically requires mayors and councilmembers to complete 10 hours of training annually during their first term in office as well as 20 hours for each additional term. We are thrilled to have partnered with the Alabama Community College System to provide enhanced online courses through their training platform, which provides you access to training materials 24/7. Whether in-person or online, these trainings are designed to provide you with an overview of the many facets of municipal governance.

To register and learn more about any of our events, visit almonline.org. We have included a calendar of events for a snapshot of the year on page four. Please contact our team if you have any questions.

Peace be with you,

2026 Legislative Statements

Committee on Community and Economic Development (CED)

- The League supports the renewal of the historic tax credits.
- The League supports additional funding for the SEEDS grant.
- The League supports grant funding for tourism, heritage tourism, and recreational development.
- The League supports additional resources for increased access to childcare.

Committee on Energy, Environment and Natural Resources (EENR)

- The League supports funding for the State Revolving Fund.

Committee on Finance, Administration and Intergovernmental Relations (FAIR)

- The League supports legislation to address local tax applications to charities with permanent locations within the city.

Committee on Human Development (HD)

- The League supports efforts to address the mental health crisis in Alabama.

Committee on Public Safety (PS)

- The League supports legislation to update and support the Disaster Recovery Fund.

Committee on Transportation, Infrastructure and Communications (TIC)

- The League supports continued partnerships between municipal, federal, state, and county governments to invest in Alabama's roadways.

SAVE THE DATE!

Make plans to join the League for training in 2026!

- ◆ **January 21**

Get Involved Through Grassroots Advocacy

Coming to Montgomery

When visiting Montgomery, schedule meetings with your legislator in advance. Legislators' offices are located in the Alabama State House at 11 South Union Street. House members' offices are on the fourth through sixth floors, while the Senate offices are on the seventh floor. Parking is available at the League's building at 535 Adams Avenue, with limited metered parking nearby. Always remain courteous, professional and respectful, as you represent your municipality.

Meeting Your Legislator

Schedule meetings in advance and prepare a clear and concise message supported by facts or data. Use the meeting to discuss how the proposed legislation affects your municipality and its citizens. Flexibility is important, as legislators' schedules may shift during sessions. After the meeting, follow up with a thank-you note or email to express your appreciation for their time and effort.

Calling Your Legislator

Prepare concise talking points before calling, referencing the bill number (e.g., HB ## or SB ##). Begin by introducing yourself as a constituent or local official and share insights or personal stories that support your stance. Be polite when speaking with either the legislator or their assistant, as assistants are often a key gateway to direct communication. Provide your contact information for any follow-up inquiries and conclude with a thank-you to ensure a courteous and professional impression.

Writing Your Legislator

When writing, address legislators formally, including their title, name and room number at the Alabama State House. Clearly state your position (support/oppose), referencing the bill number and sponsor. Explain briefly why the issue matters, emphasizing its impact on your community with relevant key points or data. Include your contact information and attach a business card for follow-up purposes. After sending your letter, confirm receipt with a follow-up phone call. Always express gratitude for their time and consideration, regardless of their position.

Since 1935, the Alabama League of Municipalities has worked to strengthen municipal government through advocacy, training and the advancement of effective local leadership. Alabama has 466 municipalities. As the recognized voice of Alabama's cities and towns, ALM's municipalities benefit from a variety of member programs, services and activities that are impossible to accomplish individually. For more detailed information about services and programs provided by ALM, visit our website at **www.almonline.org**.
